

SIS & LMS Integrations

Bring your data into Bloomz directly from your SIS or LMS through one of our many available integrations.

1. Bulk Rostering & Single Sign-On

Parents are automatically added to your distribution list at import. No more waiting for them to join! Students and Staff can single sign-on with no passwords to remember.

1a. Set up once and maintain

Our team will help you set your roster once and it will stay in sync with your SIS or LMS.

1b. Import all relevant data

With Bloomz you can import all important data including students and parents name and contact information, and even preferred language.

1c. Automate communication

Deep integrations offer auto-notice capabilities (coming soon) without the need to write custom data scripts.

2. Scheduled or On-demand Sync

Imported rosters are kept in sync to avoid duplicates automatically or on-demand.

3. Direct SIS and LMS integrations

Seamless integrations with many SIS and LMS for easy onboarding and management.

4. Types of Integrations
